Issue and repurchase of class C shares under incentive program

Stockholm – Bravida Holding AB, ("Bravida"), (NASDAQ OMX Stockholm: BRAV), today announced that the Board of Directors resolved to issue and immediately thereafter repurchase 550 000 new Class C shares.

By virtue of authorization from the Annual General Meeting of shareholders on 10 May 2017, the Board of Directors has resolved to increase the share capital by SEK 11,000, through a new issue of 550 000 new Class C shares aimed at Nordea Bank AB (publ) ("Nordea"), each with a quota value of SEK 0.02, at a subscription price of SEK 0.02 per share. Furthermore, the Board of Directors has resolved upon immediate repurchase of all 550 000 Class C shares from Nordea at a price corresponding to the subscription price.

The reason for the disapplication of the shareholders' preferential rights and the purpose of the issue and the repurchase is to ensure delivery of Class A shares through conversion of these Class C shares to employees in the Group under the performance based incentive program that was adopted at the Annual General Meeting of shareholders on 10 May 2017, LTIP 2017.

Apart from what stated above Bravida holds 1,200,000 Class C shares. The Class C shares do not entitle to dividends and has 1/10 voting right.
